B.A. BARACUS

In 1972, a crack commando unit was sent to prison by a military court for a crime they didn't commit. These men promptly escaped from a maximum-security stockade to the Los Angeles underground. Today, still wanted by the government, they survive as soldiers of fortune. If you have a problem, if no one else can help, and if you can find them, maybe you can hire, The A-Team.

This is a travel selection screen for a game. It features a central map of a forest area with several labeled locations. A yellow banner at the top of the map area says 'FORESTLAND'. The locations on the map are: 'RIVER'S EDGE', 'THE CAVES', 'TREE TOPS', 'FOREST ENTRANCE' (with a red '100% EXPLORED' bar below it), and 'THE CLEARING' (with a red '100% EXPLORED' bar below it). The map is framed by a white border with a left arrow, a right arrow, and a close button (X) in the top right corner. To the left of the map is a green blimp with a propeller and the word 'ADVENTURE!' written on it. At the bottom of the screen are two buttons: 'CANCEL' and 'RETURN HOME' (with a small house icon next to it).
